

DYNAMIC iSHARES ACTIVE PREFERRED SHARES ETF

INNOVATIVE. FORWARD-THINKING. RELEVANT.

As more investors turn to ETFs to form a part of their investment plan, the demand for active management within the structure has increased.

Actively managed ETFs can help meet this demand as they have the power to differentiate client portfolios by uncovering opportunities beyond the benchmark.

DXP

DYNAMIC iSHARES ACTIVE PREFERRED SHARES ETF

Dynamic iShares Active Preferred Shares ETF invests primarily in a diversified portfolio of preferred shares of Canadian-based businesses. Exposure to these types of securities will be obtained indirectly by investing primarily in the Dynamic Active Preferred Shares Fund¹.

- An active approach to preferred shares investing that seeks to add value over its benchmark.
- Preferred shares can offer a consistent stream of tax-efficient income and diversification benefits.
- Access to a team of Dynamic portfolio managers with considerable experience and expertise actively investing in the preferred share market.
